'Trackr' is another transit tracking app for EMTA riders. Along with all the app features of myStop, Trackr also allows you to select multiple routes when tracking your buses and provides navigation information. Download Trackr in the Google Play Store today!

## INBOUND / OUTBOUND

**Inbound** buses travel toward downtown.

**Outbound** buses travel away from downtown.

The bus will stop at other locations in between the timepoints listed in the schedules. Find your stop at [emta.availtec.com](http://emta.availtec.com).

## HOW TO USE A TRANSFER

A transfer is good for two hours. When you board the first bus, pay the full fare plus the transfer fare. Make sure to tell the driver you need to transfer before paying. When you board the second bus insert the transfer card into the farebox. The card will expire after the two hour window.
