

Virtual Consultation for Erie Metropolitan Transit Authority's Disadvantaged Business Enterprise Goal Proposal

Date: October 30, 2020

Time: 9am-11am

Via Zoom Meeting

EMTA has established a program goal of 8.4% annually for DBE Participation in its contract opportunities for Federal Fiscal Years 2021-2023.

EMTA is in the process of setting the Disadvantaged Business Enterprise (DBE) goals for the Fiscal Year 2021-2023. Based on the 49 CFR 26, we are providing an opportunity for "consultation with minority, women's, and general contractor groups, community organizations and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses and the effects of discrimination on opportunities for DBEs."
