Paratransit Report

- Service Updates

Public Comment

-Jason Brendel offered to help with the Advisory Committee once Meagan has left her position.

-Jason Brendel suggested updating EMTA's branding, pushing technology options, and applauding the start TDP project.

- Ken Springirth mentioned EMTA has an image problem. We need to encourage more local official support and encourage them to ride the bus.
- Ken Springirth has requested a list of buses that service City Hall, Court House, Blasco Library, and Penelec.
- Marlowe Weum suggested that bus stop signs need more information on them. Including stop ID's and route information.
- Jason Brendel mentioned the idea of 'hubs' which would make it easier for riders to transfer. He suggested the hubs to be placed along 6n and county areas.
- Ken Springirth encouraged more collaboration with northwestern PA transit agencies.
- Dani Phoenix stated that other transit agencies have already implemented a lot of EMTA's ideas.
- Dani Phoenix mentioned that EMTA currently runs duplicated service on State Street.
- Dani Phoenix suggested the idea of a transfer center at 18th & State
- Dani Phoenix stated EMTA needs to stop running things as a business and for political reasons.
- Dani Phoenix mentioned EMTA needs to survey riders in Albion to determine the needs before we decide to launch the service.
- Jason Brendel mentioned the idea of garages for buses in county areas.
- Jason Brendel suggested reaching out to event coordinators to encourage more partnerships for community events.
- Clint Chapman stated that the Corry Loop is a waste of money. The community never wanted/needed the service. And the service would gain ridership if EMTA modified to schedule to be more conducive to workers schedules.
- Jason Brendel agreed that EMTA needs to adjust county service to be more conducive to work schedules.
- Dani Phoenix stated EMTA does things for political agendas.
- Dani Phoenix requested service not to be cut, but to be adjusted to better serve the community's needs.
- Dani Phoenix suggested modifying the 26 schedule to cut out the Intermodal. This would allow 4 extra hours of service on the route which would help increase the service frequency.
- Dani Phoenix mentioned cutting service on the Bayliner was a mistake. The Bayliner connected people to other routes and helped increase ridership.
- Marlowe Weum stated EMTA needs to work on changing the community's perception and gain more political involvement.

- Ed Whitling suggested adding county service that is similar to 229.
- Ken Springirth mentioned that EMTA needs to survey of more riders to determine the needs.
- Jason Brendel requested adjusting routes to directly service BNI.
- Clint Chapman mentioned launching a pilot route between Erie and Corry with more conducive hours to determine the need
- Dani Phoenix suggested working with riders to create their own TDP.

Call to Order/Introductions

Review and approval of the January 25, 2018 meeting Minutes.

Fixed Route Report:

New building update.

New EMTA Board will have first meeting November 19, 2018 @ 5:30pm.

EMTA is trying to obtain the funds necessary to update the fare boxes.

Paratransit Report:

Service updates

Public Comment:

Jason Brendel stated that the revolving door near the Greyhound station needs repaired.

Jason Brendel reported that not all EMTA drivers are in uniform. There was discussion regarding the importance of maintaining a professional appearance while dealing with the public.

Jason Brendel pointed out that the current practice of switching drivers is an inconvenience to the passengers.

Carol Hirsch and Stefanie Russell brought up the issue with the early morning/late night bus routes. If a Hamot employee has a 7am start time they cannot use the bus to get to work in the morning and if their shift ends at 11pm they cannot use the bus to get home. Chris Gerhart suggested possibly conducting a survey to see where the early/late routes are needed.

Carol Hirsch and Stefanie Russell explained Project Search.

Kim Brown explained that if a LIFT driver arrives earlier than a customer's pick up window that the customer is not obligated to board the bus early. The LIFT driver either

has to wait until the beginning of the pick up window or come back for the customer within the scheduled time.

Andrew Kappes asked why there are no bus routes that travel from one side of town to the other. He pointed out that all routes require a customer to transfer if they need to travel across town.

Andrew Kappes stated that he would like to see customers be able to transfer at no cost.

Adjournment.

The next meeting will be held at 10 am on May 2, 2019 at the Intermodal Center located at 208 E. Bayfront Parkway.
